★ The Major Battles of the Civil War

Campaigns In Texas and the South West

been captured by the North in April 1862. General William B. Franklin and about 4,000 troops planned to invade Texas through Sabine Pass, march overland to Houston, and then capture Galveston. Confederate lieutenant Richard Dowling and about 45 soldiers in an all-Irish unit known as the Davis Guards were to protect the pa

The Gulf of Mexico. Based on this illustration of the Battle of Galveston, how do you think geographic factors affected the battle?
