# Comprehensive Needs Assessment

Revised/Approved: April 24, 2023

## Demographics Summary

W.J. Turner Elementary's demographics have been consistent for over five years. Our largest group of students are Hispanic 96.7%. Other groups like White, African American, and American Indian are each below 2%. All of our students live within two miles from the school. Parents drop off and pick up students daily. This daily interaction between parents and the school helps make the connection of home/school stronger. The majority of our families are Economically Disadvantaged, therefore the school receives Title 1 funds.

### **Student Learning Summary**

In 2022, W.J. Turner was rated a 75% C campus in our state accountability system. The STAAR assessment is one of the ways we measure overall student success. Our campus also focuses in measuring student growth from the beginning of the school year to middle of the school year and again at the end of the school year. Our measuring tool is NWEA MAP Growth for reading and math. NWEA MAP compares students of the same age and grade across the United States using a Bell Curve, where the 50th percentile is considered average. For grades K-5th at Turner, the median percentile for the middle of the year ranged in math 18th to 45th, reading English 9th to 42nd, and reading Spanish 22nd to 57th percent. Core5Lexia is a supplemental reading program used district wide as an intervention for reading. WJ Turner students have shown a 39% increase for students who are now reading on grade-level within Lexia. Stakeholders are committed to focus on instructional areas that directly impact our student data.

### **Student Learning Strengths**

- The median percentile for the middle of the year ranged in math 18th to 45th.
- The median percentile for the middle of the year ranged in reading English 9th to 42nd, and reading Spanish 22nd to 57th percent.
- Stakeholders are committed to focus on instructional areas that directly impact our student data.

## **School Processes & Programs Summary**

WJ Turner has various school processes and programs to assist teachers and students. Weekly Professional Learning Communities (PLCs)

**Perceptions Summary**

WJ Turner has actively provided resources to parents such as regular meetings with the principal, opportunities to educate families, and All-Pro Dads to fortify school to home connections. WJ Turner's Family Engagement Specialist works diligently to maintain communication between the campus and community and recruits parent volunteers to support school needs. Student attendance has increased from 91% last year to 94% this year. Family participation is elevated for special events but parental awareness of student progress, grade-level expectations, and achievement is an area of concern.

**Perceptions Strengths**

- Parent involvement is high when there is a student performance
- Attendance has increased from 91% last year to 94% this year
- Family Engagement Specialist support
