

Eduphoria! Unenrolling from a Course

Overview

The Eduphoria! app organizes registered and completed courses for teachers, staff, and administration. The purpose of this Quick Reference Guide (QRG) is to direct participants through the process of unenrolling from current or upcoming courses in Eduphoria!

Getting Started

1. Navigate to the My FWISD ClassLink Portal.

<http://fwisd.org/myfwisd>

2. Click on the minus icon in the upper right corner of the course you need to unenroll from.

The course you chose to unenroll from will no longer be listed under your Enrollment list from My Professional Learning.

2. Select the minus icon in the upper right corner of the course you need to unenroll from.
3. Click OK to confirm your choice to unenroll from this course.
